RENEWED REQUEST FOR CERTIFICATE OF CORRECTION

Sir:

We are submitting herewith a renewed request for Certificate of Corrections for the above referenced US Patent. The original request for correction included PTO form SB/44 requesting the addition of the second assignee to the front page of the patent and a check for \$100.00 for government fee.

The denial of certificate included three requirements:

A: The proper fee of \$130.00 for the required government fee;

B: A statement the failure to include both assignees on form PTOL-85B was inadvertent; and

C: A copy of the Notice of Recordation reflecting the reel and frame number of the assignment documents.

To satisfy all of the above requirements the following is submitted:

A: Please find included a check for \$30.00 for the additional fee owed;

B: The following statement---- The omission of the second assignee on form PTOL-85B was an inadvertent mistake which occurred without deceptive intent on the part of either assignee, any inventor, or agents-of-record;

C: Please find included with this submission, a copy of the title of abstract from the US Patent Assignment Division which indicates:

- Inventor Charles J. DOILLON assigned his rights to Universite Laval on October 2, 2006, the assignment of which is located at reel 018519,

frame 0907; and

- Inventors May GRIFFITH and Fengfu LI assigned their rights to Ottawa Health Research Institute on October 20, 2006, the assignment of which is located at reel 018517, reel 0885.

The inclusion of the check, statement and title of abstract document should meet the requirements for issuance of the certificate of corrections. Any questions regarding this request for Certificate can be directed to the undersigned Agent-of-Record.

Should this be found to be in error any required fees may be charged to Deposit Account 04-1577.

Respectfully submitted,
DOWELL & DOWELL, P.C.
